FIRST SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

SIR:

Pursuant to 37 C.F.R. §§ 1.97 and 1.98 and to the duty of disclosure set forth in 37 C.F.R. § 1.56, the Examiner in charge of the above-identified application is requested to consider and make of record the references listed on the PTO 1449 submitted herewith. A copy of each of the listed references is also enclosed.

Although the information submitted herewith may be "material" to the Examiner's consideration of the subject application, this submission is not intended to constitute an admission that such information is "prior art" as to the claimed invention.

Further, Applicant wishes to note that all the pages submitted from a reference by Halliwell, B., et al., entitled "Free Radicals in Biology and Medicine" dated years 1999 through 2001 are essentially from the same publication. The last revision appears to have occurred in year 1999, and reprints were published in years 2000 and 2001. Amendment of the specification will be made to that effect when a first office action is received.

The pages from the Halliwell reference submitted herein are chapters from editions published in years 1985, 1989 and 1999, and are noted as such on the attached Form PTO-1449.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

This Information Disclosure Statement is being filed within three months of the filing date of the application and prior to the mailing date of a first Office action. Therefore, no fee or certification is required. 37 C.F.R. § 1.97(b).

Respectfully submitted,

Dated: April 12, 2002
